Supplemental/Bid Bulletin No. 1  
19 June 2009

**Supply, Delivery and Installation of I.T. Goods  
(SEC Public Bidding No. 2009-009)**

After considering all the queries, clarifications, recommendations and suggestions made by the bidders relative to the bidding for the Supply, Delivery, and Installation of I.T. Goods, the Bids and Awards Committee for IT Goods and Services (BAC-IT) hereby decides to issue this Bid Bulletin No. 1 to include the following:

| Clarifications/Queries                          | Responses                                                                                                                                                                                                                                            |
|-------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Technical Specifications for Desktop PC:</b> |                                                                                                                                                                                                                                                      |
| VISTA Operating System for Desktop              | VISTA license may be provided, but it should be downgradable to XP Professional. Due to compatibility issues of VISTA with the existing SEC application systems, the SEC requires the installation of XP Professional to the desktop to be supplied. |
| Graphics Card                                   | Burned copy for installers is accepted as long as the media kit with paper license will be provided.<br><br>Discrete 256 MB                                                                                                                          |
| <b>Technical Specifications for Scanner:</b>    |                                                                                                                                                                                                                                                      |
| Recommended Daily Volume                        | The maximum pages/day refers to the daily volume of automatic document feeder (ADF).                                                                                                                                                                 |
| Maximum Document Size for flatbed               | 8.5 x 13 in.                                                                                                                                                                                                                                         |

The Supplemental/Bid Bulletin No. 1 shall form an integral part of the Bidding Documents.
