ANNOUNCEMENT

In time for the corporate filing season (March to May 2016), the SEC plans to recruit 50 student-interns to help with its workload.

So, what type of student-interns are needed?

Those who are taking up courses such as Accounting, Financial Management, and Business Administration;

Those who can render at least 300 hours of service; and

Those who can be ready for deployment between the middle of March 2016 and the first week of April 2016.

Student-interns who shall be selected shall be assigned to the Electronic Records Management Division (ERMD), where they shall be able to apply their analytical skills and knowledge of finance and where they shall learn to deal with the rigors of client-handling.

Those who are interested can direct their questions and applications to Ms. Lineth Castillo at telephone number 584-5994.
