

SEC ADVISORY

This is to inform the public that the **i-Message Mo facility** will be available for public use starting on 13 September 2016. This can be accessed through <http://imessagemo.sec.gov.ph> or by clicking the link provided in the homepage of the SEC website.

The i-Message Mo is a web-based online application system for lodging requests, queries, complaints, issues, concerns, suggestions/opinions, tips, among others.

This facility is an alternative venue where the public, investors, complainants, requestors and others are able to follow-up their queries, complaints, issues, concerns, suggestions/opinions, tips and etc. as well as track the status of redresses/comments from anywhere.

The presence of i-Message Mo feature in the SEC website encourages the public to send their concerns regarding SEC and SEC-related matters.
