ADVISORY

**UNAUTHORIZED SALE OF PRE-NEED PLANS AND LIFE
INSURANCE BY CONNECTACONS, INC. IN DAVAO CITY**

The Securities and Exchange Commission (SEC) has received reports that **CONNECTACONS, INC.** or **CONNECT GEMS** is engaged in unauthorized sale to the public of pre-need plans and life insurance.

The public is informed that while Connectacons, Inc. is registered with SEC, the company, however, is not authorized by its primary purpose to sell pre-need plans and life insurance. Moreover, the company has not been licensed by the Insurance Commission (IC) to sell said products.

Further, the public is warned **NOT** to invest in high yield-high risk investment – a promise that is too good to be true. Before investing, make sure that the company offering life insurance and pre-need plans is duly registered with the SEC and licensed to offer pre-need plans and life insurance by IC.

You may inquire with the Investor Protection and Surveillance Department of the SEC at telephone number 584-9227 for further information on the matter.
