INVESTIGATION PROCEEDINGS IN GENERAL AND ADMINISTRATIVE ACTION

RULE I. SCOPE AND APPLICATION

SEC. 1-1. Scope and Application of the Rules. - The provisions in Part II of these Rules shall apply only in any investigation being conducted for possible violation of laws, rules, regulations, circulars or orders being implemented by the Commission and for imposition of corresponding administrative penalties as well as for the possible institution of a criminal action with the Department of Justice. These Rules do not apply to adjudicative actions or proceedings before the Commission, except as otherwise provided herein.

RULE II. INVESTIGATION PROCEEDINGS IN GENERAL

SEC. 2-1. Commencement of Investigation Proceedings. - An investigation for possible violation of laws, rules, regulations, circulars and orders being implemented by the Commission may be commenced by the Operating Department that has authority over the subject matter, either motu proprio, or upon receipt of a complaint from the public, a referral from a government instrumentality or a self-regulatory organization, or an anonymous tip.

SEC. 2-2. Investigative Powers of the Operating Departments. - During the initial investigation, the Operating Department has the obligation to establish sufficient grounds that warrants the commencement of an administrative action, which is an action that determines whether the laws, rules, regulations, circulars and orders being implemented by the Commission are being, or about to be, or were violated, or are being abetted or aided to be violated by the person being investigated. Pursuant thereto, the Operating Department may exercise any of the following powers:

a. Monitor compliance by the corporation or such other persons with the laws, rules, regulations, circulars and orders being implemented by the Commission, and request the submission of certain documents relevant and material to the inquiry;

b. Administer oaths and affirmations, and issue subpoena ad testificandum to compel attendance of a person subject of the investigation and witnesses;
issue subpoena duces tecum for the production of any book, paper, correspondence, memorandum and other records which the Commission deems relevant and material to the inquiry;

c. Hold conferences and interviews with the complainant, possible witnesses, person being investigated, and other relevant persons;

d. Conduct surveillance, ocular inspection, audit, and perform other visitorial powers of the Commission;

e. Seek assistance from other government agencies and instrumentalities in the conduct of such investigation or proceedings;

f. Cite in contempt the person being investigated, his counsel or any person in accordance with these Rules and the pertinent provisions of the Rules of Court;

g. Require any person to file a statement in writing as to all facts and circumstances concerning the matter to be investigated; and

h. Perform such other acts necessary in the conduct of such investigation or proceedings.

The Operating Department may request another Department to provide technical assistance within its expertise on a matter subject of and relevant to the investigation or proceeding.

Further, that any person requested or subpoenaed to produce documents or testify in any investigation shall simultaneously be notified in writing of the purpose of such investigation.

SEC. 2-3. Investigative Discretion. – The Operating Department shall not be bound by the contents of the complaint, tip or referral, and has full discretion to expand its investigation based on the evidence gathered.

SEC. 2-4. Confidentiality of Investigation Proceedings. – Any information, document or records obtained by the Commission in the course of any investigation or examination shall be deemed non-public, unless otherwise required by any other pertinent law or by the Operating Department or the Commission En Banc.
SEC. 2-5. Effects of Withdrawal of a Complaint. - Withdrawal of a complaint under Part II does not automatically result in the outright dismissal of the investigation, nor discharge the person subject of the investigation from a possible imposition of any administrative sanction or penalty when there is merit to the charges, or where there is documentary evidence which would tend to establish a prima facie case warranting the continuation of the investigation.

SEC. 2-6. Termination of Investigation. - The Operating Department may, in its discretion, terminate an investigation based on any of the following grounds:

a. The Operating Department or the Commission does not have the jurisdiction to act over the subject matter of the investigation; or

b. The Operating Department finds no sufficient ground to warrant the commencement of an administrative action.

If the investigation is initiated through a complaint or referral, the Operating Department shall issue a letter or order citing the ground for the termination of investigation, and the reason or basis for such termination.

A letter or order terminating the investigation based on the above-mentioned grounds shall be final and unappealable. In cases where the termination of the investigation is based on subparagraph (b) of this Section, the same is terminated without prejudice.

SEC. 2-7. Actions that may be taken after investigation. - The Operating Department may, in its discretion, take one or more of the following actions after resolution of the investigation:

a. Initiate an administrative action for the imposition of corresponding administrative sanctions or penalties;

b. Continuously monitor compliance by the corporation or such other person with the laws, rules, regulations, circulars and orders being implemented by the Commission; or
c. Refer the matter to the Commission En Banc, and secure the latter’s approval of the request made by domestic and foreign governmental authorities or foreign securities authorities, self-regulatory organizations, and other persons or entities, for access of files in relation to the investigation.

SEC. 2-8. Criminal complaints for Investigation. - In the case of a criminal complaint for violation of the laws, rules, regulations, circulars and orders being implemented by the Commission, such complaint must first be filed with the Operating Department that has authority over the subject matter. After investigation, the Operating Department shall present its complete findings with its recommendations to the Commission En Banc, who will decide if there is basis to file a criminal action. If there is basis to file a criminal action, the Commission En Banc shall refer the case to the EIPD for the preparation of the necessary criminal complaint and filing with the Department of Justice.

RULE III. ADMINISTRATIVE ACTION

SEC. 3-1. Commencement of Administrative Action. - An administrative action filed under these Rules shall be commenced (i) upon the issuance of a Formal Charge by the Operating Department that has authority to act over the subject matter, or (ii) upon the issuance of an ex-parte cease and desist order by the Commission En Banc.

SEC. 3-2. Formal Charge. - If the Operating Department finds sufficient grounds that warrants the commencement of an administrative action, which is an action that determines whether the laws, rules, regulations, circulars and orders being implemented by the Commission are being, or about to be, or were violated, or are being abetted or aided to be violated by the person to whom it is issued justifying the imposition of an administrative sanction or penalty against such person, the said Operating Department shall issue a Formal Charge. The person subject of the Formal Charge shall be referred as respondent.

The Formal Charge shall contain a specification of charge/s, a brief statement of material or relevant facts, accompanied by certified true copies of the documentary evidence, if any, sworn statements covering the testimony of witnesses, and a directive to file a Verified Answer pursuant to Section 3-3, Rule III of Part II, in not less than fifteen (15) days from receipt thereof.
SEC. 3-3. Verified Answer to the Formal Charge. - Within fifteen (15) days from receipt of the Formal Charge, the respondent shall file an Answer, which shall either be verified by a statement therein, or by attaching a separate affidavit, which states that the respondent has read the Formal Charge and that the allegations in the Answer are true and correct of his personal knowledge or based on authentic records. An answer or affidavit, containing a verification based on “information and belief,” or upon “knowledge, information and belief,” or lacking a proper verification, shall be treated as an unsigned answer.

SEC. 2-2.  Parties in Interest. - All adjudicative actions filed with the Commission must be pursued and defended in the name of the real party in interest. All persons who have an interest in the subject of an action and in obtaining the relief demanded shall be joined as complainants. All persons who claim an interest in the controversy, or the subject thereof which is adverse to that of the complainant, or is necessary for a complete resolution or settlement of the action shall be joined as respondents.

SEC. 2-3.  Intervention. - A natural or juridical person may, at any stage of the proceedings, be permitted by the Commission En Banc, the Director of the Operating Department, or the Special Hearing Panel, as the case may be, to intervene in an adjudicative action if he has a legal interest therein or when he is so situated as to be adversely affected by the decision of the Commission.

The said party may file a motion to intervene or oppose the adjudicative action, stating therein the reason for his intervention or opposition and attaching therein all relevant supporting documents and evidence.

Said motion, if allowed, may be treated as a petition-in-intervention. The Commission En Banc, the Director of the Operating Department, or the Special Hearing Panel, as the case may be, may require the original parties to the action to answer or comment on the intervention as may be warranted by the circumstances, or require them to submit their arguments in their respective position papers.

An answer to the intervention, when so required, should be filed within ten (10) days from receipt of the corresponding order.

RULE III. COMMENCEMENT OF AN ADJUDICATIVE ACTION

SEC. 3-1.  How commenced. - An adjudicative action may be commenced by filing a verified petition, accompanied by any relevant documents, affidavits of merit and such other evidence as would reasonably tend to establish prima facie the truth of the
factual allegations contained therein, with the Operating Department that has jurisdiction over the subject matter.

SEC. 3-2. Pleadings Allowed. – The only pleadings that can be filed in any adjudicative action are the petition, answer, position paper and if applicable, motions in intervention.

The original and three (3) signed copies of the pleading shall be filed with the Operating Department that has jurisdiction over the subject matter. Copies of every pleading and other papers filed in connection with any action or proceeding before such Operating Department must be served on all other persons admitted to the action or proceeding, except for the petition or complaint which shall be furnished by the said Operating Department to the respondent.

All other pleadings shall be disallowed unless they are filed with leave of the Operating Department.

Failure to comply with any of the foregoing requirements shall result in the dismissal without prejudice of the petition. The submission of a false certification or non-compliance with any of the undertakings enumerated in the immediately preceding paragraph shall constitute indirect contempt of the Commission and may give rise to the imposition of administrative and criminal sanctions. If the acts of the party or his counsel constitute willful forum shopping, the same shall be considered a justifiable ground for the summary dismissal with prejudice of the action and constitute direct contempt of the Commission with the attendant administrative and criminal consequences.
SEC. 3-5. **Outright Dismissal of a Petition.** - After an initial examination of the allegations in the petition and such evidence that may be attached to it, the Director of the Operating Department may dismiss outright the petition based on any of the following grounds:

a. The Commission or the Operating Department has no jurisdiction over the subject matter of the adjudicative action; or

In the case of (ix) above, the consenting petitioner or his counsel, as the case may be, shall state the email address at which he agrees to accept such service.

SEC. 3-7. **Verified Answer.** - Within fifteen (15) days from the receipt of summons, the respondent shall file his verified answer to the petition and serve a copy thereof to the petitioner. The answer shall contain the affidavits of witnesses, if any, and such other evidence necessary to establish the facts relied upon.

The answer may include the express consent, if any, of the respondent or his counsel to the electronic service of papers, orders, decisions and resolutions emanating from the Commission. In which case, the respondent or his counsel shall provide the email address at which he agrees to accept such service.

SEC. 3-8. **Effect of Failure to Answer.** - If the respondent fails to answer the petition or the petition-in-intervention within the period fixed in these Rules, the Commission En Banc or the Director of the Operating Department, as the case may be, shall, *motu proprio*, proceed to render a judgment granting such relief as the petition or petition-
in-intervention and the evidence presented may warrant. The Director of the Operating Department may require the petitioner to submit additional evidence *ex parte*.

**SEC. 3-9. Affidavits, Documents and Other Evidence.** — The affidavits of the parties' respective witnesses, if applicable, documents, and other supporting evidence shall be attached to the appropriate pleading.

Supporting affidavits shall be made on personal knowledge, shall set forth such facts as will be admissible in evidence, and shall show affirmatively that the affiant is competent to testify on the matters stated therein.

**SEC. 3-10. Docket Fee.** — A docket fee shall be assessed by the Operating Department concerned for any initiatory pleading filed under these Rules in accordance with the Schedule of Fees or any amendments thereto that shall form part of these Rules, and which fee shall be paid upon the filing of the subject pleading.

**SEC. 4-2. Contents of the Summons.** — The summons shall be directed to the respondent under the seal of the Commission and shall contain the following: (i) the names of the parties to the action; (ii) an order to the respondent to file a verified answer responding to the allegations made in the petition within the period fixed by these Rules; and (iii) a notice that his failure to do so will cause the Director of the Operating Department to render a judgment granting such relief as the petition and evidence presented may warrant.

A copy of the petition, together with its supporting documents and other evidence, shall be attached to the original and each copy of the summons.

**SEC. 4-3.Alias Summons.** — If the summons is returned unserved on any or all the respondents, or is lost, one (1) alias summons in the same form as the original summons may be issued at the instance of the petitioner.
