

SEC ADVISORY

The Securities and Exchange Commission (“Commission”) received information regarding the alleged investment-taking activities and operations of an entity named **FAST FIVE SYSTEM-UNITED PHOENIX TEAM**.

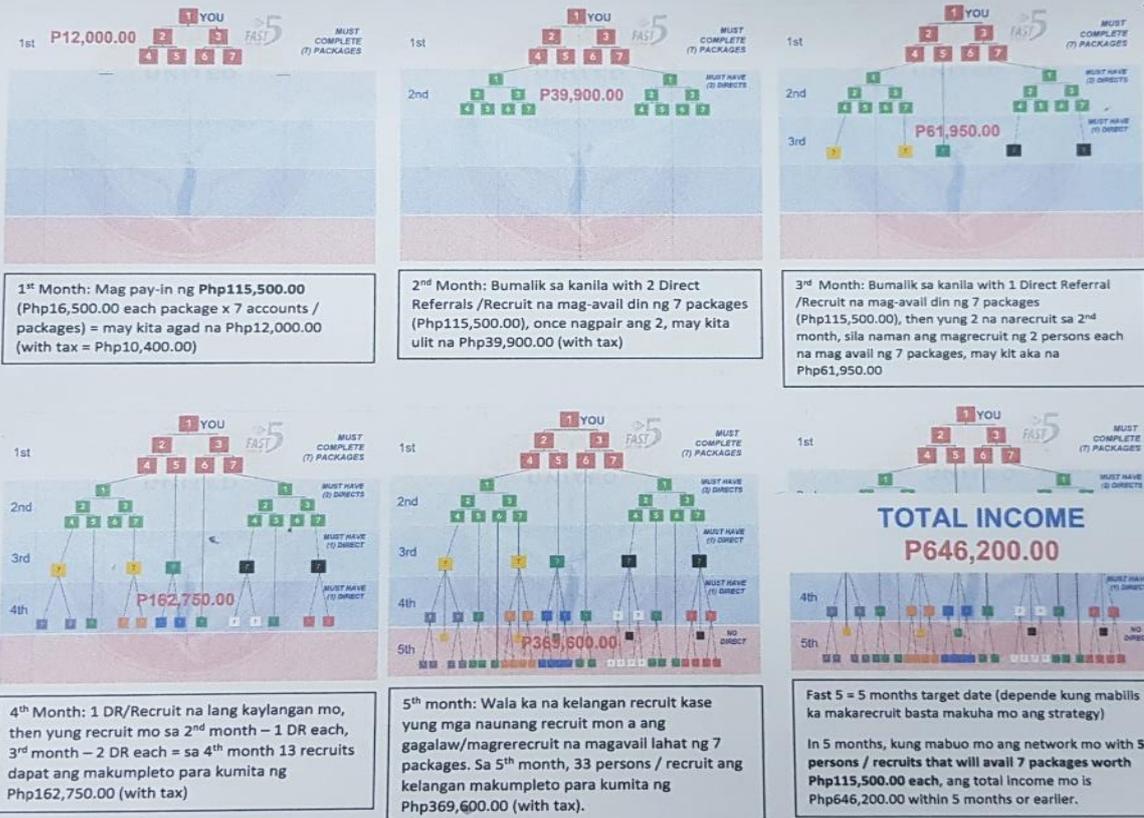

FAST FIVE SYSTEM-UNITED PHOENIX TEAM claims to be a marketing arm of **ROYALE BUSINESS CLUB INTERNATIONAL INC.** The said entity aims to recruit members of the Philippine National Police, teachers, and other government officials mainly because these people can easily avail of a loan that they can use to pay for the membership fee to **ROYALE BUSINESS CLUB INTERNATIONAL INC.**

Based on the information gathered by the Commission, **FAST FIVE SYSTEM-UNITED PHOENIX TEAM** lures the public by recruiting them to become members of **ROYALE BUSINESS CLUB INC.** Instead of enrolling one account, they convince the prospective investor to enroll seven accounts under one name simultaneously. The seven accounts amount to **ONE HUNDRED FIFTEEN THOUSAND PESOS (PhP 115, 000.00)**. In return, the investor would receive Royale’s Product worth **One Hundred Fifty-Five Thousand Pesos (PhP 155, 000.00)**, more or less. Upon payment of the said amount, the investor will automatically receive a net profit in the amount of **Ten Thousand Five Hundred Pesos (PhP 10, 500.00)**

The scheme focuses on the recruitment of new members to gain profit rather than sale of Royale products. According to the report, if the member will be able to recruit the number of investors in the below attached program he/she can earn as much as **Six Hundred Forty-Six Thousand Two Hundred Pesos (PhP 646, 200.00)** in a span of five (5) months. Further, the scheme highlights that after a certain number of direct recruits, the members need not do anything to earn profit since their downline will do the work for them.
