The public is informed that the issuance of a certificate of incorporation only grants the said corporation a juridical personality but does not constitute an authority or license for the corporation to engage in activities that require a secondary license from the SEC.

Consequently, the Commission encourages the public to be prudent in making or placing their monies on these entities especially during this pandemic.

The public is advised **NOT TO INVEST** or **STOP INVESTING** in any investment scheme being offered by any individual or group of persons allegedly for and in behalf of **XTREME** and to exercise caution in dealing with any individuals or group of persons soliciting investments for and on behalf of said entity.

Everyone is reminded that aside from the strict penalties imposed by the Commission for violations of the Securities Regulation Code, the Revised Corporation Code, and such other rules and regulation it enforces, the **Bayanihan to Heal as One Act (Republic Act No. 11469)** also punishes those participating in cyber incidents that make use or take advantage of the current crisis situation to prey on the public through scams, phishing, fraudulent emails, or other similar acts.

The Commission urges anyone who has knowledge or information about any business transactions involving these securities or investment opportunities to report such activities so that appropriate actions could be taken through the email of the Enforcement and Investor Protection Department at **epd@sec.gov.ph**.
