Allegedly, **OMG (One Market Global)** is registered with the Department of Trade and Industry (DTI) with the business name of **ON. MA. GLO. MARKETING** issued to **Albert Almeda Gonzales**. However, per records of the Securities and Exchange Commission, **OMG (One Market Global)** is not registered with the Commission as a corporation or partnership and has no secondary license to solicit, accept or take investments/placements from the public nor issue investments contracts and other forms of securities defined under Section 3 of the Securities Regulation Code (SRC). Likewise, July Macapas is not registered as a broker in securities, neither as a market professional as salesman, trader, investment company solicitor or associated person.

As the aforementioned scheme involves the offer and sale of securities to the public, the Securities Regulation Code (SRC) requires that these securities are duly registered with the Commission and that concerned entity or its agents have appropriate registration and/or license to sell such securities to the public pursuant to Section 8 and 28 of the SRC.

In view thereof, the public is hereby advised **NOT TO INVEST** or **TO STOP INVESTING** in the investment scheme being offered by **OMG (One Market Global)** and its representatives or any entities engaged in investment schemes

which promises ridiculous rates of return with little or no risk or show any other indications or characteristics of a Ponzi Scheme.

Everyone is reminded that aside from the strict penalties imposed by the Commission for violations of the Securities Regulation Code, the Revised Corporation Code, and such other rules and regulations it enforces, the Bayanihan to Heal as One Act (Republic Act No. 11469) also punishes those participating in cyber incidents that make use or take advantage of the current Covid-19 crisis situation to prey on the public through scams, phishing, fraudulent emails or other similar acts.

In addition, those who act as salesman, brokers, dealers or agents of **OMG (One Market Global)** in selling or convincing people to invest in the investment scheme being offered by said entity including solicitations and recruitment through the internet may likewise be criminally prosecuted and penalized with a maximum fine of Five Million Pesos (P5,000,000.00) or penalty of Twenty-one (21) years of imprisonment or both pursuant to Section 28 and 73 of the SRC.

Further, those who invite or recruit others to join or invest in such venture or offer investment contracts or securities to the public may incur criminal liability, or otherwise be sanctioned or penalized accordingly as held by the Supreme Court in the case of *Securities and Exchange Commission vs. Oudine Santos* (G.R. No. 195542, 19 March 2014).

The Commission urges anyone who has knowledge or information about any business transactions involving these securities or investment opportunities to report such activities so that appropriate actions could be taken through the email of the Enforcement and Investor Protection Department at epd@sec.gov.ph.

For the guidance of the public.
