SEC MEMORANDUM CIRCULAR NO. _____

Series of 2023

TO : ALL CONCERNED

SUBJECT : SEC FEES AND CHARGES FOR CERTAIN IT RELATED SERVICES

WHEREAS, Section 179(o) and (p) of Republic Act (RA) No. 11232, otherwise known as the “Revised Corporation Code of the Philippines” (RCC), grants the Commission the power and authority to (i) formulate and enforce standards, guidelines, policies, rules, and regulations to carry out the provisions of the RCC; and (ii) exercise such other powers provided by law or those which may be necessary or incidental to carry out the powers expressly granted to it;

WHEREAS, Section 180 of the RCC shall provide for the development and maintenance of the electronic filing and monitoring system, in order to facilitate and expedite the registration, incorporation, and the submission of reports, notices, and other documents for the Commission;

WHEREAS, Section 7 of Republic Act No. 11032, otherwise known as the EASE of Doing Business and Efficient Government Service Delivery Act of 2018, requires that government agencies, including LGUs adopt a zero-contact policy;

WHEREAS, as part of the Commission’s thrust to digital transformation, as well as in keeping with RA No. 11032 or the “Ease of Doing Business Act of 2018” the Commission continually adopts digital innovations to streamline its processes;

WHEREAS, to improve the quality of services to the transacting public, the development of system application is necessary in order for the Commission to strengthen and deliver its mandate;

WHEREAS, the implementation of the SEC Application Program Interface (SEC API) and the Company Investment and Financial Statistical Systems (CiFSS eSEARCH) are consistent with the sustainability efforts of the Commission;

WHEREAS, the development of IT-related systems and the delivery of these services entail costs; and as a matter of policy, fees and charges must sufficiently cover these costs;

NOW THEREFORE, the Commission hereby promulgates the implementation of the applicable fees for IT related services and increase in fees in securing official documents from the Commission:

1. **SEC API Service.** This is a software interface that enables the Commission to provide company profile information, financial information, and other data to our clients and stakeholders through application-to-application communication. APIs are based on a programming pattern or best practice that defines the rules by which application-to-application, and not application-to-user, communications may be conducted over remote network connections such as the Internet. Through this system, it allows direct transfer of data streams without the need for user intervention, allowing real time data transfer in a secure way.

PARTICULARS	FEES AND CHARGES
SEC API SERVICE FEES	
Package A	Php 10,000.00 (100 API calls - Php 100.00/call)
Package B	Php 50,000.00 (1,000 API calls - Php 50.00/call)

2. CIFSS e-SEARCH. The Electronic SEC Education, Analytics, and Research Computing Hub (eSEARCH) is the main eCommerce service channel of the Commission for the transacting public's purchase and download of submitted documents to the SEC. It is mainly a research tool and discovery as well as channel for authenticated documents so as to move away from issuing of paper-based documents. Through this system, SEC documents such General Information Sheet and Annual Financial Statement are accessible to the transacting public.
