The offering and selling of securities in the form of investment contracts using the **“Ponzi Scheme”** which is fraudulent and unsustainable, is **NOT** a registrable security. The Commission will not issue a License to Sell Securities to the Public to persons or entities that are engaged in this business or scheme.

Moreover, **R.A. No. 11765** or the **Financial Products and Services Consumer Protection Act (FCPA)** prohibits the commission of “Investment fraud”, defined as any form of deceptive solicitation of investments from the public which includes Ponzi schemes and such other schemes involving the promise or offer of profits or returns sourced from the investments or contributions made by the investors themselves and the offering or selling of investment schemes to the public without a license or permit from the SEC.
