**Subject: CORPORATIONS ENCOURAGED TO APPLY FOR AMNESTY TO AVOID REVOCATION OF REGISTRATION**

The Securities and Exchange Commission (SEC) highly encourages the corporations appearing in the attached list to avail of the SEC Amnesty Program to keep their certificates of incorporation from being revoked.

Section 177 of Republic Act No. 11232, otherwise known as the Revised Corporation Code of the Philippines (RCC), provides that every corporation, domestic or foreign, doing business in the Philippines shall submit to the SEC annual financial statements and a general information sheet (GIS), among other reportorial requirements, annually and within such period as may be prescribed by the Commission.

Section 21 of the RCC provides that, if a corporation does not formally organize and commence its business within five years from the date of its incorporation, its Certificate of Incorporation shall be deemed revoked as of the day following the end of the five-year period.

Based on the records of the Commission as of 12 October 2023, the corporations included in the attached list have failed to submit their GIS within five years from the respective dates of their incorporation.

In this light, they are advised to avail of the SEC Amnesty Program before their Certificates of Incorporation are revoked pursuant to Section 21 of the RCC. To avail of amnesty, a corporation must file the following within the deadlines and in accordance with the procedure set forth in SEC Memorandum Circular No. 17, Series of 2023:

- a. Online Expression of Interest to Avail of Amnesty on or before 06 November 2023; and
- b. Petition to Lift Order of Revocation, and latest due AFS and GIS on or before 04 December 2023.

A corporation, which has already availed of amnesty, may disregard this Notice. The list of corporations with revoked certificates of incorporation will be finalized after the amnesty program.

Issued on 17 October 2023.
