

## SEC ADVISORY

Based on reports and information gathered by the Commission, individual or group of persons claiming to represent **POWER APPS** under the corporate registration of **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.**, are enticing the public through social media and its physical office to invest in said company.

The Facebook post posted on 5 December 2023 invites the people of Zamboanga City to join Power Apps by paying Php 1,000.00 membership fee. As posted online, the registration form is under the name of **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.**

Once registered, the member becomes part of the second business of **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.**, which they refer to as "QUEST," whereby an investment of Php5,000.00 will guarantee a return of 50% in just 15 days. Accordingly, there is no proof of the invested money, however, the names are written on the logbook with the corresponding amount invested.

It was also gathered that there is a new scheme being done by subject entity recently, whereby instead of the regular 15 days pay-out, investors are given the option to choose from the following:

Amount Invested	Number of Days	Return of Investment	Rate of Interest
100,000.00	5	400,000.00 *	300%
100,000.00	7	500,000.00*	400%
100,000.00	10	It depends on the mechanics	It depends on the mechanics

*\*Only half will be paid-out and the remaining half will be reinvested to increase the share/capital.*

A minimum investment of Php100,000.00 will also entitle the investor a freebie of an ADV motorcycle. Also, investors were advised that the operation will only last until the end of this year but assured the members that their shares will be transferred to a new company and that it will still earn but not as much as 50% of the investment made. Allegedly, this is to get away from paying big taxes to the Bureau of Internal Revenue (BIR).

In this regard, the public is made aware that an “*investment contract*,” which is a kind of security, exists when there is an investment or placement of money in a common enterprise with a reasonable expectation of profits to be derived from the efforts of others, which is prominent in the scheme of **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.**

As such, the Securities Regulation Code (SRC) requires that said offer and/or sale of securities must be duly registered with the Commission and that the concerned entity and/or its agents should have the appropriate registration and/or license to sell such securities to the public.

Based on the Commission’s database, **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.**, is **REGISTERED** with the Commission on 15 September 2014 with **Company Registration No. CN201417992**, however, its Certificate of Registration only grants juridical personality to the said corporation **but it does not authorize ONE 1KEY PROGRESS BOOSTER (OKPB), INC to issue, sell or offer for sale to the public, securities such as but not limited to, shares of stock, investment contracts and debt instruments without prior Registration Statement approved by the Commission.** In other words, though the said company is registered, it does not have the necessary Secondary License from the Commission to authorize **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.** to solicit investments from the public.

In view thereof, the public is hereby advised **NOT TO INVEST** or to **STOP INVESTING** in the investment scheme being offered by **ONE 1KEY PROGRESS BOOSTER (OKPB), INC.** and its **representatives.**

No. 195542, 19 March 2014).**
