Series of 2024

TO : **ALL CONCERNED**

SUBJECT : **UPDATED FINES AND PENALTIES ON THE LATE AND NON-SUBMISSION OF AUDITED FINANCIAL STATEMENTS (AFS), GENERAL INFORMATION SHEET (GIS), NON-COMPLIANCE WITH SEC MEMORANDUM CIRCULAR NO. 28, SERIES OF 2020 (SEC MC 28)**

DATE : 27 March 2024

**WHEREAS**, Section 179(o) and (p) of Republic Act (RA) No. 11232, otherwise known as the Revised Corporation Code of the Philippines (RCC), grants the Commission the power and authority to: (i) formulate and enforce standards, guidelines, policies, rules, and regulations to carry out the provisions of the RCC; and (ii) exercise such other powers provided by law or those which may be necessary or incidental to carry out the powers expressly granted to it;

**WHEREAS**, Section 158 of the RCC provides that the Commission has the power to impose fines ranging from Five Thousand Pesos (PhP 5,000) to Two Million Pesos (PhP 2,000,000) and a daily fine of no more than One Thousand Pesos (PhP 1,000) for continuing violations, but in no case to exceed Two Million Pesos (PhP 2,000,000);

**WHEREAS**, the Commission, through SEC Memorandum Circular No. 2, Series of 2023 (SEC MC 2), and subsequent amendments thereto, granted amnesty for late and non-filing of GIS and AFS and non-compliance with SEC MC 28 to provide corporations with ample and cost-effective opportunity to update their compliance with the documentary and reportorial requirements under the RCC, among others;

**WHEREAS**, the Commission, through its issuances, webinars, social media posts, and press releases, had actively campaigned and encouraged non-compliant, suspended or revoked corporations to apply for amnesty under SEC MC 2 to avoid hefty monetary penalties once the revised scale of fines and penalties is implemented;

**WHEREAS**, the final deadline for amnesty applications under SEC MC 2, as amended, was 31 December 2023;

**WHEREAS**, the Commission strives to comply with one of the remaining requirements to remove the Philippines from the gray list of the global anti-money laundering watchdog, Financial Action Task Force, by enhancing and streamlining the access to beneficial ownership information and taking steps to ensure that the information is accurate and up to date through the corporations' regular submission of the GIS;

**WHEREAS**, it has been observed that there is a need for continuous and rigid monitoring of violations pertaining to reportorial requirements, especially for habitual erring corporations, in order to maintain an accurate database which shall determine and identify active and inactive corporations and those who are already due to be placed under delinquent status;

**WHEREAS**, upon a thorough review of all active regulated entities, the Commission saw the need to reevaluate its existing scale of fines and penalties to meaningfully deter violations and non-compliance with current regulations;

**WHEREAS**, an exposure draft of the *Revised Fines and Penalties on Submission of Reportorial Requirements (AFS & GIS)* was published on the SEC website on 26 April 2023 to solicit comments from the public until 26 May 2023, and to ensure transparency and public awareness;

### III. PENALTY CLAUSE

Pursuant to Section 177 of the RCC, the SEC may declare a corporation under delinquent status in case of failure to submit reportorial requirements for three (3) times, consecutively or intermittently, within five (5) years. **After a corporation is notified of its delinquent status, the commission of a sixth (6<sup>th</sup>) offense constitutes a ground for revocation of its Certificate of Registration/License to Transact Business in the Philippines or Secondary License<sup>5</sup> and shall warrant the imposition of monetary fines equivalent to the fifth (5<sup>th</sup>) offense plus one hundred percent (100%) surcharge of the total assessed fine.**

### IV. REVERSION OF PENALTY TO FIRST OFFENSE

Upon the effectivity of this Memorandum Circular, corporations charged with higher imposable fines, *i.e.*, second to fifth offense, may be penalized under the scale of penalty for the first offense, provided, they are found to be compliant with the submission of GIS and AFS for three (3) consecutive years immediately after the imposition of higher imposable penalties, *i.e.*, due reports for the periods 2023 to 2025.

The penalty for corporations who successfully availed of and were issued corresponding Confirmation of Payment of Amnesty Fees (COPs) but subsequently committed the same offense shall immediately be reverted to that applicable for the first offense.

### IV. REPEALING CLAUSE

Any circular, rule or order earlier issued by the Commission that is inconsistent with any of the foregoing enumeration of violations, fines, and penalties shall be deemed wholly or partly superseded, repealed or amended by this Circular, as the case may be.
